

ACADEMY FOR CONTINUING EDUCATION, SPRING CONFERENCE CELEBRATES 18 YEARS

ACE is celebrating 18 years of relevant, informative, and engaging continuing education in a great, professional environment at the New York Athletic Club on Central Park South. Industry SuperStars shared their knowledge and skills with the attendees. Agents had the opportunity to ask questions and network with their peers.

The program is famous for its up-to-the-minute News, Views and Current Trends and attracts the most motivated and determined
